<u>Company</u>	<u>FR Docket</u>	<u>Published</u>
Sigma Aldrich Research Biochemicals, Inc.	88 FR 82403	November 24, 2023

DEA has considered the factors in 21 U.S.C. 823(a) and determined that the registration of this registrant to manufacture the applicable various basic class(es) of schedule I and II controlled substance(s) is consistent with the public interest and with United States obligations under international treaties, conventions, or protocols in effect on May 1, 1971. DEA investigated the company's maintenance of effective controls against diversion by inspecting and testing the company's physical security systems, verifying the company's compliance with state and local laws, and reviewing the company's background and history.

Therefore, pursuant to 21 U.S.C. 823(a), and in accordance with 21 CFR 1301.33, DEA has granted a registration as a bulk manufacturer to the above listed company.

Dated: 2/14/2024

Marsha Ikner,
Acting Deputy Assistant Administrator.
